

SV101 and SV103 of Loop 2400 – Professional Service

SV101-3, -4, -5, -6 and -7 are for Procedure Modifiers. Certain procedures in the 837P require modifiers. The syntax is the same as on pages 400 to 407 of the 837P WPC I.G. (837P - 004010X098 & 004010X098A1). Please refer to the link below for LAC-DMH Procedural Codes Manual.

SV103 Unit or Basis for Measurement Code. It can be MJ or UN. Please also refer to the link below for LAC-DMH Procedural Codes Manual.
